

## Infoshield™

A comprehensive cybersecurity awareness platform that aims to spread knowledge about the fundamental concepts of cybersecurity.

## Objectives

Promoting security awareness and knowledge within an organization efficiently.

Educating employees about expected behavior and responsibilities for safeguarding information.

Help organizations to comply with regulations related to cybersecurity awareness.

Increasing effectiveness of security awareness by providing interactive content.

Target all organization users with a variety of security topics.

Minimizing human errors by disseminating best security practices.

Strengthening the human link in the information security chain.

Providing up-to-date security awareness modules that tackles most security risks

## Features and Benefits

-  Interactive Modules
-  Tracking and Reports
-  Test & Certification
-  Bilingual support
-  Standard and Compliance
-  Scheduled Modules
-  Customization
-  Rebranding (Optional)

-  User Integration
-  Flexible Deployment, Cloud (Inside KSA And UAE region) or On-premise

## Awareness Modules

### 26 Main Modules (5 ~ 12 Mins)

1. Information Security
2. Password Security
3. Phishing
4. Data Security
5. Malware & Antiviruses
6. Mobile Device Security
7. Social Engineering
8. Social Media
9. Workplace Security
10. Email Security
11. Wi-Fi Security
12. Cloud Security
13. GDPR Awareness Module
14. Secure Web Browsing
15. Ransomware
16. Data Classification
17. SAMA Awareness Module
18. Working Remotely
19. ECC
20. BYOD

21. Multi-Factor Authentication MFA
22. Onboarding (for new joiners)
23. NCA OSMACC (Organizations' Social Media Accounts Cybersecurity Controls)
24. Data Security and Privacy
25. NCA TCC (Telecom Cybersecurity Controls)
26. ISR (UAE)

### 12 Mini Modules (1 ~ 2 Mins)

1. Information Security
2. Password
3. Phishing
4. Social Engineering
5. Email Security
6. Social Media
7. Workplace Security
8. Data Protection
9. Malware and Viruses
10. Mobile Device Security
11. Wi-Fi Security
12. Cloud Security

### 10 Bite-sized Videos (1 ~ 2.5 Min Long) and additional materials:

- Email Tips
- Newsletters
- Posters
- Roll Ups
- Goodie Bags
- Screensavers
- SMS Tips
