

Infoshield[™]

A comprehensive cybersecurity awareness platform that aims to spread knowledge about the fundamental concepts of cybersecurity.

Objectives

Promoting security awareness and knowledge within an organization efficiently.

Educating employees about expected behavior and responsibilities for safeguarding information.

Help organizations to comply with regulations related to cybersecurity awareness.

Increasing effectiveness of security awareness by providing interactive content.

Targeting different levels within an organization with a variety of security topics.

Minimizing human errors by disseminating best security practices.

Strengthening the human link in the information security chain.

Providing up-to-date security awareness modules that tackles most security risks

-  Interactive Modules
-  Tracking and Reports
-  Test & Certification
-  Bilingual support
-  User Integration
-  Standard and Compliance
-  Scheduled Modules
-  Customization
-  Rebranding (Optional)
-  Flexible Deployment, Cloud (Inside KSA) or On-premise

Awareness Modules

20 Main Modules (12 ~ 5 Mins)

1. Information Security (12 Minutes)
2. Password Security (9 Minuets)
3. Phishing (9 Minutes)
4. Data Security (12 Minutes)
5. Malware & Antiviruses (8 Minutes)
6. Mobile Device Security (11 Minutes)
7. Social Engineering (8 Minutes)
8. Social Media (12 Minutes)
9. Workplace Security (11 Minutes)
10. Email Security (8 Minutes)
11. Wi-Fi Security (12 Minutes)
12. Cloud Security (10 Minutes)
13. GDPR Awareness Module (9 Minutes)
14. Secure Web Browsing (5 Minutes)
15. Ransomware (4 Minutes)
16. Data Classification (4 Minutes)
17. SAMA Awareness Module (8 Minutes)
18. Working Remotely (7 Minutes)
19. ECC (8 Minutes)
20. BYOD (5 Minutes)

12 Mini Modules (2 ~ 1 Mins)

1. Information Security
2. Password
3. Phishing
4. Social Engineering
5. Email Security
6. Social Media
7. Workplace Security
8. Data Protection
9. Malware and Viruses
10. Mobile Device Security
11. Wi-Fi Security
12. Cloud Security

Supplemental Materials

10 Bite-sized Videos (1 ~ 2.5 Min Long) and additional materials:

- Email Tips
- Newsletters
- Posters
- Roll Ups
- Goodie Bags
- Screensavers
- SMS Tips

Compliance Achieved
